

**“Every action matters.
Every bit of warming matters.
Every year matters.
Every choice matters.”**

@IPCC_CH

The background of the entire image is a dark green color. Overlaid on this background are various stylized green plants and leaves. There are long, thin, grass-like leaves on the left and right sides. In the center, there are larger, more complex leaves, including one that looks like a broad oak leaf. The plants are drawn in a simple, illustrative style with visible veins and outlines.

TALANOA DIALOGUE

The background is a solid green color with several thin, light blue lines drawn across it in a chaotic, scribbled pattern. The lines vary in thickness and direction, creating a sense of movement and energy.
